

AKA

French vocalist and illustrator

LISTENbutton2

NEED A VOICE

Finding the right vocalist to deliver authentic French vocals for their project is a struggle for most.

Risking an embarrassing performance that distracts your audience with poor pronunciation or awkward lyrics is the last thing you'd want.

Worry no more! As a native French singer with experience in the video Asian music game industry, I bring elegance, emotion, and cultural understanding to ensure your project quality and immersion.

BEN

RELIABLEACC

Over 4 years experience singing for indie and professionals of the east-asian game industry, quality is guaranteed.
